NOTES

1. A member entitled to attend and vote at the meeting (the 'Meeting') may appoint another person(s) (who need not be a member of the Company) to exercise all or any of his rights to attend, speak and vote at the Meeting. A member can appoint more than one proxy in relation to the Meeting, provided that each proxy is appointed to exercise the rights attaching to different shares held by him.
2. A proxy does not need to be a member of the Company, but must attend the Meeting to represent you. Your proxy will vote as you instruct and must attend the Meeting for your vote to be counted. Details of how to appoint the Chairman or another person as your proxy using the proxy form are set out in the notes to the proxy form. Appointing a proxy does not preclude you from attending the Meeting and voting in person. If you attend the Meeting in person, your proxy appointment will automatically be terminated.
3. A proxy form which may be used to make this appointment and give proxy instructions accompanies this notice. If you do not have a proxy form and believe that you should have one, please contact Capita Registrars on, 0871 664 0300 (calls cost 10p per minute plus network extras) lines are open Monday to Friday, 8.30am to 5.30pm. If you require additional copies you may photocopy the proxy.
4. In order to be valid an appointment of proxy must be returned (together with any authority under which it is executed or a copy of the authority certified (or in some other way approved by the directors)) by one of the following methods:
 - in hard copy form by post, by courier or by hand to the Company's Registrar, at, PXS, 34 Beckenham Road, Beckenham BR3 4TU;
 - in the case of CREST members, by utilising the CREST electronic proxy appointment service in accordance with the procedures set out in Note 6 below; or

and in each case must be received by the Company not less than 48 hours before the time of the Meeting.
5. A copy of this notice has been sent for information only to persons who have been nominated by a member to enjoy information rights under section 146 of the Companies Act 2006 (a 'Nominated Person'). The rights to appoint a proxy can not be exercised by a Nominated Person: they can only be exercised by the member. However, a Nominated Person may have a right under an agreement between him and the member by whom he was nominated to be appointed as a proxy for the Meeting or to have someone else so appointed. If a Nominated Person does not have such a right or does not wish to exercise it, he may have a right under such an agreement to give instructions to the member as to the exercise of voting rights.
6. CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so by utilising the procedures described in the CREST Manual on the Euroclear website (www.euroclear.com/CREST). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's ("EUI") specifications and must contain the information required for such instructions, as described in the CREST Manual. The message regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID number – RA10) by the latest time(s) for receipt of proxy appointments specified in the notice of meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
7. CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

8. Resolutions 3 to 10 – election/re-election of directors

Resolutions 3 to 10 deal with the election/re-election of the directors in accordance with the UK Corporate Governance Code (which has replaced the Combined Code on Corporate Governance). The Governance Code provides for all directors of FTSE 350 companies to be subject to election/re-election by their shareholders every year. The Governance Code applies on a “comply or explain” basis and applies to financial years beginning on or after 29 June 2010. Accordingly, in keeping with the Board’s aim of following best corporate practice, each member of the board is standing for re-election, and in the case of Reg Sindall for election, by the shareholders for the first time at this year’s Annual General Meeting. Biographical information on each of the directors is contained on pages 32 and 33 of the Annual Report and Accounts. The Chairman confirms that, following formal performance evaluation, all directors standing for election/re-election continue to perform effectively and demonstrate commitment to the role.

9. Resolution 14 - political donations:

For the purpose of this resolution, ‘political donations’, ‘political organisations’ and ‘political expenditure’ have the meanings given to them in Section 363-365 of the 2006 Act.

In accordance with its Business Principles, it is the Company’s policy not to make contributions to political parties. There is no intention to change it. However, what constitutes a ‘political party’, a ‘political organisation’, ‘political donations’ or ‘political expenditure’ under the Companies Act 2006 is not easy to decide as the legislation is capable of wide interpretation. Sponsorship, subscriptions, payment of expenses, paid leave for employees fulfilling public duties, and support for bodies representing the business community in policy review or reform, among other things, may fall within this. Therefore, notwithstanding that the Company has not made a political donation in the past, and has no intention of, either now or in the future, making any political donation or incurring any political expenditure in respect of any political party, political organisation or independent election candidate, the Board has decided to put forward Resolution 14 to renew the authority granted by shareholders at the last Annual General Meeting of the Company. This will allow the Company to continue to support the community and put forward its views to wider business and Government interests without running the risk of being in breach of the law. As permitted under the 2006 Act, Resolution 14 has also been extended to cover any of these activities by the Company’s subsidiaries.

10. Resolution 15 - directors’ authority to allot shares:

If passed, Resolution 15 will give the directors authority to allot ordinary shares in the capital of the Company up to a maximum nominal amount of £1,062,543 representing approximately 33% of the Company’s issued ordinary share capital (excluding treasury shares) as at 15 April 2011 (the latest practicable date before publication of this notice). This power will last until the conclusion of the next Annual General Meeting in 2012.

The directors have no present intention of exercising this authority.

As at the date of this letter the Company does not hold any ordinary shares in the capital of the Company in treasury.

11. Resolution 16 – disapplication of pre-emption rights:

Resolution 16 will give the directors authority to allot shares in the capital of the Company pursuant to the authority granted under Resolution 15 for cash without complying with the pre-emption rights in the Companies Act 2006 in certain circumstances. This authority will permit the directors to allot:

- (a) shares up to a nominal amount of £1,062,543 , (representing one-third of the Company’s issued share capital) on an offer to existing shareholders on a pre-emptive basis (in each case subject to adjustments for fractional entitlements and overseas shareholders as the directors’ see fit); and
- (b) shares up to a maximum nominal value of £160,991, representing approximately 5% of the issued ordinary share capital of the Company as at 15 April 2011 (the latest practicable date prior to publication of this notice) otherwise than in connection with an offer to existing shareholders.

The directors have no present intention of exercising this authority.

The directors confirm their intention to follow the provisions of the Pre-emption Group’s Statement of Principles regarding cumulative usage of authorities within a rolling three-year period. The Principles provide that companies should not issue for cash shares representing in excess of 7.5% of the Company’s issued share capital in any rolling three-year period, other than to existing shareholders, without prior consultation with shareholders.

12. Resolution 17 – buyback authority:

Resolution 17 gives the Company authority to buy back its own ordinary shares in the market as permitted by the Companies Act 2006. The authority limits the number of shares that could be purchased to a maximum of 32,198,282 (representing approximately 10% of the Company's issued ordinary share capital (excluding treasury shares) as at 15 April 2011 (the latest practicable date prior to publication of this notice)) and sets minimum and maximum prices. This authority will expire at the conclusion of the Annual General Meeting of the Company in 2012.

The Company may implement a purchase of ordinary shares pursuant to an arrangement entered into with a third party executing dealer where that executing dealer acquires ordinary shares as principal for delivery to the Company. Resolution 17 stipulates that, in the case, the maximum price which may be paid by the Company for the shares is £8.00. This maximum amount has been set to give the Company flexibility to make market purchases using this arrangement and the actual price paid by the Company may be less than this. If shares were purchased in this way, the arrangement with the executing dealer would provide that the actual price per ordinary share paid by the Company would not be more than the average of the volume weighted average price at which the Company's ordinary shares trade over a specific period to be agreed by the Company and the executing dealer being the period during which the executing dealer may make purchases of ordinary shares for delivery to the Company. This would be subject to a maximum price of £8.00 or such lesser amount as the Company and the executing dealer may agree. The actual price paid by the Company may also be subject to a minimum price as the Company and the executing dealer may agree. The price paid by the executing dealer for the ordinary shares acquired by it for delivery to the Company would not be more than (a) 105 per cent of the average of the middle market quotations for the Company's ordinary shares as derived from the London Stock Exchange Daily Official List for the five business days before the purchase is made by the executing dealer and (b) the higher of the price of the last independent trade and the highest current independent bid on the market where the purchase is carried out.

The directors have no present intention of exercising the authority to purchase the Company's ordinary shares but will keep the matter under review, taking into account the financial resources of the Company, the Company's share price and future funding opportunities. The authority will be exercised only if the directors believe that to do so would result in an increase in earnings per share and would be in the interests of shareholders generally. Any purchases of ordinary shares would be by means of market purchases through the London Stock Exchange.

Listed companies purchasing their own shares are allowed to hold them in treasury as an alternative to cancelling them. No dividends are paid on shares whilst held in treasury and no voting rights attach to treasury shares.

If Resolution 17 is passed at the Meeting, it is the Company's current intention to cancel all of the shares it may purchase pursuant to the authority granted to it. However, in order to respond properly to the Company's capital requirements and prevailing market conditions, the directors will need to reassess at the time of any and each actual purchase whether to hold the shares in treasury or cancel them, provided it is permitted to do so.

As at 15 April 2011 (the latest practicable date prior to the publication of this notice), there were warrants and options over 26,271,063 ordinary shares in the capital of the Company representing 8.2% of the Company's issued ordinary share capital (excluding treasury shares). If the authority to purchase the Company's ordinary shares was exercised in full, these options would represent 9.1% of the Company's issued ordinary share capital (excluding treasury shares).

13. Resolution 18 – length of notice for general meetings:

This is a resolution to allow the Company to hold general meetings (other than Annual General Meetings) on 14 days notice.

Before the introduction of the Companies (Shareholders' Rights) Regulations 2009 on 3 August 2009, the minimum notice period permitted by the 2006 Act for general meetings (other than annual general meetings) was 14 days. One of the amendments made to the 2006 Act by the Shareholders' Rights Regulations was to increase the minimum notice period for general meetings of listed companies to 21 days, but with an ability for companies to reduce this period back to 14 days (other than for annual general meetings) provided that two conditions are met. The first condition is that the Company offers a facility for shareholders to vote by electronic means. This condition is met if the Company offers a facility, accessible to all shareholders, to appoint a proxy by means of a website. The second condition is that there is an annual resolution of shareholders approving the reduction of the minimum notice period from 21 days to 14 days.

The Board is therefore proposing Resolution 18 as a special resolution to approve 14 days as the minimum period of notice for all general meetings of the Company other than annual general meetings. The approval will be effective until the Company's next annual general meeting, when it is intended that the approval be renewed. The Board will consider on a case by case basis whether the use of the flexibility offered by the shorter notice period is merited, taking into account the circumstances, including whether the business of the meeting is time sensitive.

14. To have the right to attend and vote (whether in person or by proxy) at the Meeting or adjourned meeting (and also for the purpose of calculating how many votes a person may cast), a person must have his/her name entered on the register of members by no later than 6.00pm on 18 May 2011 (or if the Meeting is adjourned, at 6.00pm on the date which is two days prior to the adjourned meeting). Changes to entries on the register after this time shall be disregarded in determining the rights of any person to attend or vote (and the number of votes they may cast) at the Meeting or adjourned meeting.
15. A member of the Company which is a corporation may authorise a person or persons to act as its representative(s) at the Meeting. In accordance with the provisions of the Companies Act 2006, each such representative may exercise (on behalf of the corporation) the same powers as the corporation could exercise if it were an individual member of the Company, provided that they do not do so in relation to the same shares. It is no longer necessary to nominate a designated corporate representative.
16. As at 15 April 2011 (being the latest business day prior to the publication of this notice), the Company's issued share capital consists of 321,982,816 ordinary shares. The Employee Benefit Trust holds 14,407,545 ordinary shares of the Company carrying no voting rights. No shares are held in treasury. Therefore the total voting rights in the Company are 307,575,271.
17. The contents of this notice of Meeting, details of the total number of shares in respect of which members are entitled to exercise voting rights at the Meeting, details of the totals of the voting rights that members are entitled to exercise at the Meeting and, if applicable, any members' statements, members' resolutions or members' matters of business received by the Company after the date of this notice will be available on the Company's website: <http://investors.michaelpage.com>.
18. Members satisfying the thresholds in section 527 of the Companies Act 2006 can require the Company to publish a statement on its website setting out any matter relating to (a) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that is to be laid before the Meeting; or (b) any circumstances connected with an auditor of the Company ceasing to hold office since the last Annual General Meeting, that the members propose to raise at the Meeting. The Company cannot require the members requesting the publication to pay its expenses. Any statement placed on the website must also be sent to the Company's auditors no later than the time it makes its statement available on the website. The business which may be dealt with at the Meeting includes any statement that the Company has been required to publish on its website.
19. The Company must cause to be answered at the Meeting any question relating to the business being dealt with at the Meeting that is put by a member attending the Meeting, except in certain circumstances, including if it is undesirable in the interests of the Company or the good order of the Meeting that the question be answered or if to do so would involve the disclosure of confidential information.
20. Copies of the directors' service contracts with the Company, and the terms and conditions of the non-executive directors, are available for inspection at the registered office of the Company during usual business hours (Saturdays, Sundays and public holidays excepted) and will be available at the place of the Meeting from 8.00 am until its conclusion.
21. You may not use any electronic address in this notice of meeting to communicate with the Company for any purpose other than those expressly stated.
